The LSCU Councils bring together credit union professionals with roles in:

- Lending
- Compliance
- Payments
- Marketing/Business Development
- Operations/Member Experience
- Accounting/Finance
- CEO
- Technology

These credit union professionals can learn, exchange ideas, contacts, and resources to help their credit union and other credit unions keep up with the latest trends and best practices in their fields of expertise.

By joining an LSCU Council, you get:

- Professional Development, Networking and Engagement opportunities in and amongst CU professionals.
- To attend educational presentations in person or virtually that will increase your knowledge base.
- To view council presentations, meetings and webinars that will address skills that will help you excel in your field
- To share ideas and examples of what has worked for you or what did not work in your credit union. Along with the ability to share and view documents, policies, and product details on the latest in what is going on the credit union space.
- Access to a private social network of other council members to collaborate with.
- Access to and engagement with vendors, sponsors, and other specialized presenters.
- Peer mentoring, professional advice, and practical job-related education
